D-Marin Dubai Harbour

42°44' N, 18°59'E VHF 74

Set to open in September 2020, Dubai Harbour is a world-class maritime destination boasting the most advanced cruise terminal and the biggest marina in the region. Inspired by the Gulf's long tradition with the sea, D-Marin I Dubai Harbour marina is set to further enhance the position of Dubai as a leading global maritime hub.

Location

D-Marin I Dubai Harbour marina is located at the intersection of the iconic Palm Jumeirah and Bluewaters, equidistant from Dubai International Airport and Al Maktoum International Airport. This unique waterfront neighbourhood is a stone's throw away from the city's most-loved landmarks, beautiful beaches and world-famous attractions such as Ain Dubai and Burj Al Arab.

Facilities

D-Marin I Dubai Harbour marina will offer marina guests and crew a full home port solution in one of the world's most spectacular cruising grounds. With a total of 1,100 berths planned, 700 of which will be ready for the opening date, the marina is one of the largest in the Middle East, with the capacity to host yachts up to 160 meters in length.

The main harbour office will be a state-of-the-art architectural masterpiece specifically designed to sit at the heart of the neighborhood and create a yachting community center which will include yacht brokerage companies, crew placement, maritime insurance, ship chandlery as well as select retail and F&B outlets. The Marina will also be home to the marina's crew facility including a restaurant, gym, lounge, fueling stations and satellite marina office. Adjacent to the building will include two helicopter landing platforms.
