TEXTILE YACHT DESIGN

LOOKBOOK 2024

BESPOKE QUALITY & LUXURY

We are product-driven company, creativity is our driving force for every new project. As well as designers in the fashion world, our work allows us to express our creativity through the textile design of your yacht.

Our story begins in 2001 with the diligent hands of the owner, rich in knowledge, experience and with a vision of the future.

We pay great attention to the initial and continuous education of our employees, as well as to the process of discovering new concepts and acquiring advanced techniques. Know-how knowledge and experience within the company is transferred by a team of 20 qualified experts who take care of the needs of our clients and develop our products in a 600 m² modern production facility.

Our personalized service and comprehensiveness of offer distinguish our brand in textile yacht design world.
