THE MAGAZINE

MONDO BARCA, a long-established monthly magazine for nautical information, is available in print and online at www.mondobarcamarket.it (also in English).

The magazine offers exciting **sea trials**, on-site **reportages** from International boat shows, exclusive **interviews** with designers and market leaders, marine tutorials, fishing and diving columns. The publication also includes articles on **nautical accessories**, the best **Mediterranean marinas** and the latest **lifestyle trends**. For over 27 years, it has been the go-to publication for boaters and industry professionals.

Attuned to the needs of its advertisers, **MONDO BARCA** provides an ideal platform to reach an audience that values quality and professionalism.

Thanks to its extensive distribution, it is available at newsstands across Italy and delivered by subscription to industry operators, readers (both in Italy and abroad), and clients with aligned interests. **MONDO BARCA** is also present at all the major events in the nautical sector, making it an effective and indispensable channel to communicate your message and enhance your brand's prestige.

The advertising plans are tailored to meet the needs of the modern communication market, enabling you to reach every potential client through multiple channels, from the magazine to the website, and across all social media platforms.

Since January 2025, the digital version of **MONDO BARCA** has been fully translated into English and the team has joined the jury of the Best of Boats 2025 (BOB Award).

ENGLISH DIGITAL EDITION

Starting from January 2025, MONDO BARCA is available in a digital version fully translated in English. This decision stems from the desire to meet the needs of numerous international subscribers and industry professionals who have been following the Italian nautical market through the pages of MONDO BARCA for 27 years.

Thanks to this new feature, our international readers will be able to access the magazine easily and instantly via QR CODE, which grants exclusive access to the English language version. With MONDO BARCA's translated digital edition, the goal is to ensure a seamless high-quality reading experience.

Regardless of whether they choose the Italian or English version, every reader will enjoy the same layout, content, and graphic design.

The magazine will remain true to its tradition of in-depth analyses and detailed features, with an elegant and easy-to-read layout, no matter the chosen language.
